Presents

Australian Animals

Grab your passport and come on an adventure to the Land Down Under.

Wildlife Encounters works with "Mutual of Omaha's Wild Kingdom" and they are currently airing on "Animal Planet" promoting awareness and enthusiasm for wildlife conservation education, both at the grass roots community level and on a national scale.

Each presentation will feature live animal ambassadors from Australia, New Guinea and New Zealand. Animals in the show range from 5 - 8 animals from the following list. The list is subject to change due to individual state and federal laws and regulations.

- Kangaroo or Wallaby
- Salt Water Crocodile
- Kookaburra
- Frilled Lizard
- Lesser Flying Phalanger
- Parrot
- Ringtail Possum
- Spiny Anteater
- Australian Bird of Prey
- Emu
- Australian Parrot
- Dingo
- Australian Snakes, Lizards and Skinks

Egyptian Animals

Expect to be spellbound! Your students will go on an adventure to Ancient Egypt with an Egyptian host. Help unravel the mysteries, myths, and legends of ancient Egypt. The speaker will talk about the history of Ancient Egypt, culture, and geography. Egyptian educators will showcase live animal ambassadors and artifacts from Egypt and will talk about the important role that animals played in this ancient Culture. They will also talk about natural behaviors, natural history, and conservation education. Wildlife Encounters works with "Mutual of Omaha's Wild Kingdom." They are currently airing on "Animal Planet" promoting awareness and enthusiasm for wildlife conservation education, both at the grassroots community level and on a national scale.

Each presentation will feature Egyptian artifacts and 6 to 8 live Egyptian animals from the following list. The list is subject to change due to individual state and Federal regulations.

- Baboon
- Vervet Monkey
- Caracal or Chervil Cat
- Falcon or Egyptian Eagle
- Egyptian Cobra
- Scorpion
- Fennec Fox
- Jungle Cat
- Egyptian Wolf (may be extinct in the wild)
- Jackal
- Egyptian Dog
- Mongoose
- Nile Crocodile or Nile Monitor
